2017 EVENT

Details of toilet facilities available: (eg, in church / church hall / adjacent house / none ... etc)

LAST YEAR'S EVENT

If you have participated previously, welcome back and many thanks for your efforts last time. Have you any comments relating to last year's event? The overall results were really good but we need more churches to enter a team of riders or striders!

If you are joining the Ride+Stride for the first time we hope it will be a successful and enjoyable day for all concerned and that your participants are well sponsored.
